XTRUSMART

Smart Extrusion Solutions

- Bangalore, India
- Number of Employees - 5
- Sales and Management – 1
- Service – 3
- Admin -1
- Providing Turnkey Sales and Service Solutions to OEMs Globally

A close-up photograph of several people's hands and forearms stacked together in a huddle. The hands are of various skin tones, and the people are wearing casual clothing like t-shirts. The background is blurred, suggesting an outdoor setting. The text "Core Team Members" is overlaid in white, centered on the image.

Core Team Members

Shakeb Khan

- Service Technician – New Delhi
- Electrical and Electronics Engineer
- 9 Years (14 Years)
- Plastic Fuel Tank, Packaging Installation

Pankaj Gupta

- 39 Years
- Electrical and Ind Automation Engineer
- 10 Years (14 Years)
- LPG Line, Packaging Machines

Subheesh M K

- 32 Years
- Electrical and Electronics Engineer
- Processing Specialist
- 3D Machines, Packaging Machines

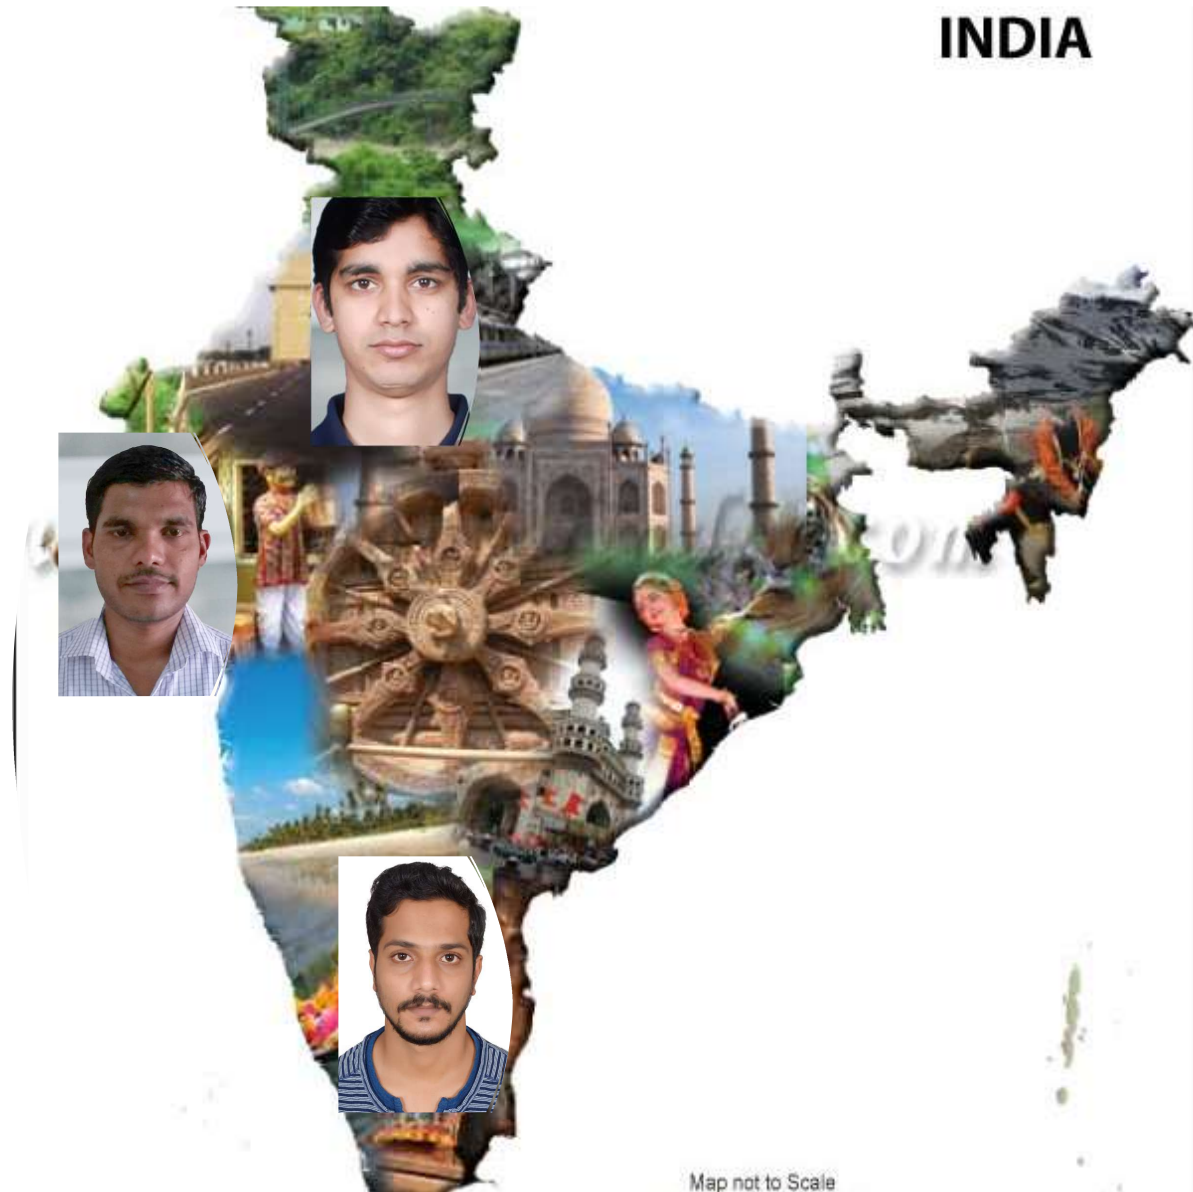

Rajish Raghu

- Polymer Engineer
- MBA from IIM Bangalore
- 16 Years Sales of Capital Equipment
- Arburg Injection Molding
- Kautex Maschinenbau GmbH

Locations

- New Delhi
- Vadodara
- Bangalore

Products

- Fong Kee International Machinery Co. Ltd. (www.fki.com)
- Mueller Die Heads (www.mullerheads.com)
- Feuerherm PWDS (www.feuerherm-pwds.de)

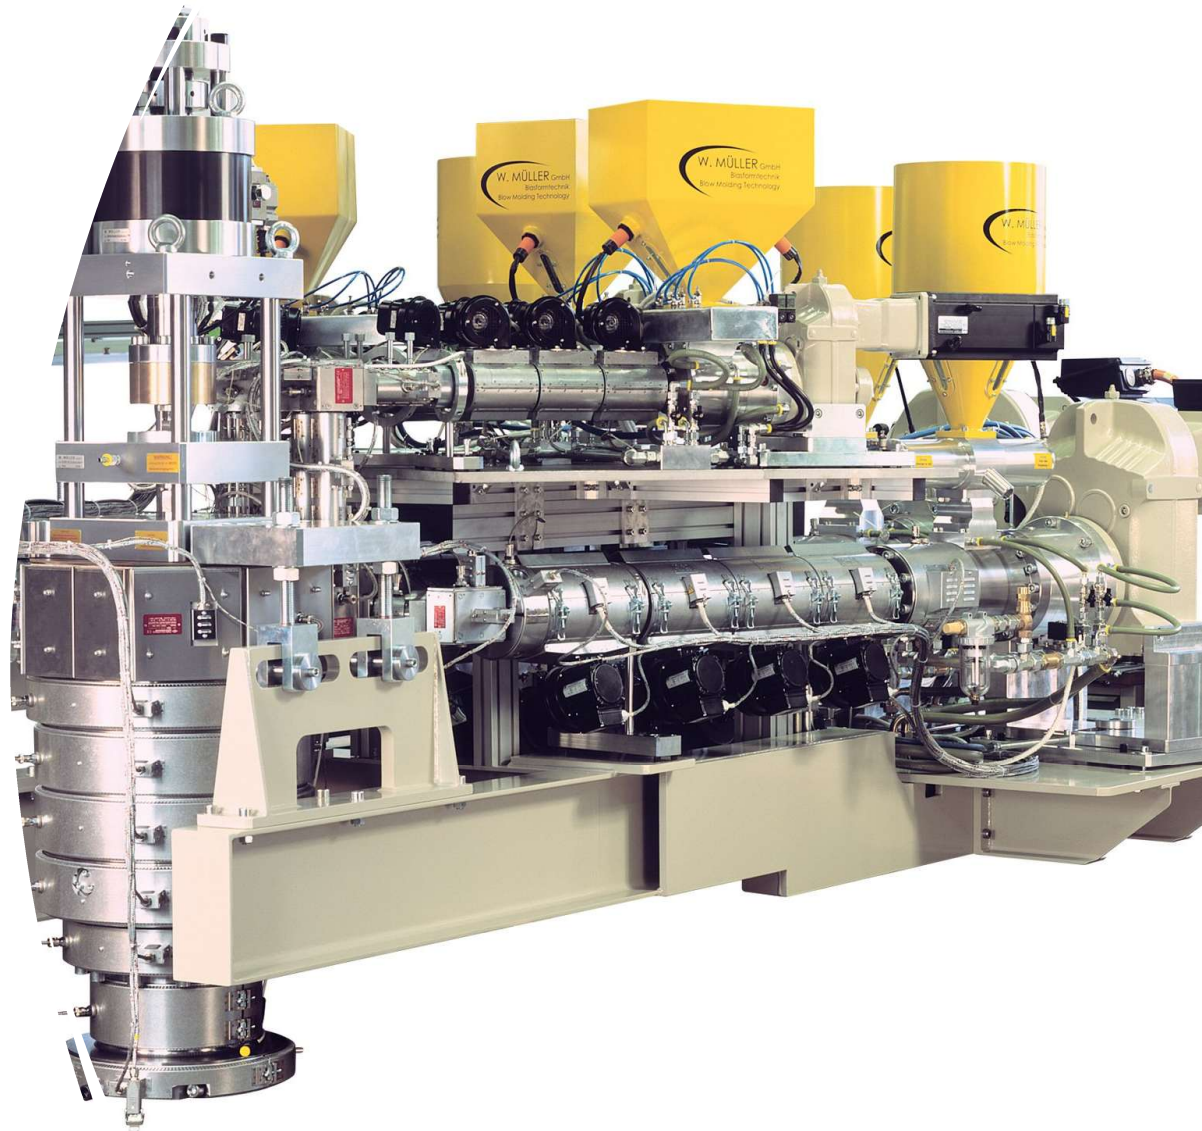

Fong Kee International Machinery Co. Ltd

- Continuous and Accumulator Head Extrusion Blow Moulding Machines
- Made in Taiwan

W. Mueller GmbH
